F 0580 Level of Harm - Minimal harm or potential for actual harm Residents Affected - Few	returned the call. During an interview 03/17/2026 at 12:28 PM, resident representative indicated a call was received from the facility, the resident representative returned the call and was told about the fall. The resident representative reported the unidentified nurse indicated I meant to call you the other night. During an interview on 03/19/2026 at 12:25 PM, the Administrator reported the nurse should notify the family of a change in condition or incident, if they did not get an answer they go to the next person on the list for notification, document each attempted notification and pass the task on to the next nurse if contact had not been made. She reported that the nurse who was responsible for making the call to the resident representative would receive a verbal or written write-up. Review of facility policy titled, Change in a Resident's Condition or Status, revised February 2021, revealed Unless otherwise instructed by the resident, a nurse will notify the resident's representative when the resident is involved in any accident or incident that results in an injury. The Change in a Resident's Condition or Status policy also revealed except in medical emergencies, notifications will be made within twenty-four (24) hours of a change occurring in the resident's medical/mental condition or status. Review of Grievance Log indicated on 12/4/2025 Resident # 54's representative filed a grievance with the facility with reason for grievance as Not notified of fall.
