NAME OF PROVIDER OR SUPPLIER Park View Rehab Center		STREET ADDRESS, CITY, STATE, ZIP CODE 5888 North Ridge Chicago, IL 60660	
For information on the nursing home's plan to correct this deficiency, please contact the nursing home or the state survey agency.			
(X4) ID PREFIX TAG	SUMMARY STATEMENT OF DEFICIENCIES (Each deficiency must be preceded by full regulatory or LSC identifying information)		
<p>F 0600</p> <p>Level of Harm - Actual harm</p> <p>Residents Affected - Few</p>	<p>Protect each resident from all types of abuse such as physical, mental, sexual abuse, physical punishment, and neglect by anybody.</p> <p>**NOTE- TERMS IN BRACKETS HAVE BEEN EDITED TO PROTECT CONFIDENTIALITY** 30279</p> <p>Based on observation, interview, and record review, the facility failed to ensure that a resident (R1) was free from sexual abuse and mental anguish. This failure affected R1 who experienced sexual abuse and mental anguish in form of another resident exposing themselves to R1 in the facility elevator.</p> <p>Findings include:</p> <p>R1's medical record admission record showed R1 was originally admitted to the facility on [DATE], and latest admission was dated 01/01/24, with diagnoses that includes but not limited to Pneumonia, unspecified organism, hypokalemia, muscle wasting, unsteady on feet, presence of intraocular lens, anxiety disorder, insomnia, ileus unspecified, and essential hypertension.</p> <p>R1's MDS (minimum Data Set), dated 04/04/24, showed BIMS (Brief Interview for Mental Status) score of 10, showing R1 is cognitively impaired.</p> <p>R2's medical record admission record showed R2 was admitted to the facility on [DATE], with diagnoses that includes but not limited to schizoaffective disorder unspecified, Type 2 diabetes mellitus without complications, unspecified convulsions, other depressive episodes, and hypokalemia.</p> <p>R2's MDS (Minimum Data Set) BIMS (Brief Interview for Mental Status) score of 12 shows R2 is cognitively impaired.</p> <p>According to facility reported incident on 06/10/24, R1 alleged that R2 exposed self to R1 while in the elevator and after the facility investigation, based on the facts from their review from the resident medical record and interviews, the facility concluded the allegation was substantiated. Both R1 and R2 were placed on 1:1 supervision, R1 was transferred to another floor, and R2 later was transferred to a local hospital for Psychiatrist evaluation.</p> <p>On 06/17/24 at 10:00am, V3, LPN (Licensed Practical Nurse), stated R1 has moved to the 1st floor, separating R1 from R2, and was placed on 1:1 supervision and nearer to the nursing station.</p> <p>(continued on next page)</p>		

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.

(X4) ID PREFIX TAG	SUMMARY STATEMENT OF DEFICIENCIES (Each deficiency must be preceded by full regulatory or LSC identifying information)		
<p>F 0600</p> <p>Level of Harm - Actual harm</p> <p>Residents Affected - Few</p>	<p>On 06/17/24 at 10:08am, R1 observed in the room crying. R1 stated, I am punished for what happened to me. I'm the one not able to visit my friends on my floor. I have friends on my floor that I cannot see. I am afraid because (R2) is still living on the floor and I cannot go upstairs. (Crying). I don't go for activities because I am afraid, I might find (R2) there. (R2) exposed himself to me in the elevator, and all the time, (R2) stands over me on my bed and in my doorway. And anywhere I go, (R2) can go too. When asked about whom this was reported to by name, R1 could not remember, but stated R2 was the only resident in the elevator during the incident of 06/10/24. R1 stated R1 felt being punished for what happened.</p> <p>On 06/17 at 10:28am, V4, LPN (Licensed Practical Nurse), stated, (R2) reported to one of the staff, (V13, CNA Certified Nurse's Aide) that (R2) had exposed himself to (R1) in the elevator. As soon as (V13) told me, I reported it to the Administrator. (R2) was placed on 1:1 right away. I called the psychiatrist and orders were given to send (R2) to the (local hospital) for psychiatrist evaluation. (R1) was put on 1:1 until the time (R1) went to the hospital. (R1) is no longer on the floor; she is now on the 1st floor. (R1) was moved to the 1st floor the same day (R1) was put on 1:1 supervision. V4 acknowledged exposing oneself to another intentionally is a form of abuse.</p> <p>On 06/18/24 at 10:13am, V13, CNA (Certified Nurse's Aide), stated, On 06/10/24, (R1) and (R2) told me about the incident. R1 stated that (R2) exposed himself to (R1) in the elevator, and (R2) said (R2) exposed self in the elevator. (R1) was the only resident in the elevator. V13 stated it was not a normal thing for R2 to go about exposing self to another resident (referring to peers). When asked whether exposing oneself to another resident is form of abuse. V13 stated, Yes, it is a form of sexual abuse.</p> <p>On 6/18/24 at 10:27am, V15, PRSD (Social Services Director), stated he was not in the facility at the time of incident of 06/10/24, but was told that R2 had walked up to R1's room and made inappropriate comments. V15 stated he was able to talk with R1, but R2 has been sent to the hospital. The surveyor asked V15 whether exposing oneself to another person/resident can be a form of sexual abuse. V15 stated, Yes.</p> <p>On 6/18/24 at 10:48am, V14 (Assistant Director of Nursing) stated, (R1) came to me and told me that (R2) had pulled his pants down and exposed himself to (R1) in the elevator and said, 'come and get it'. V14 stated R1 was visibly shaking, upset, and crying. V14 stated the Nurse Practitioner and family were notified. (V17, NP/Nurse Practitioner) ordered some psychotropic medication to calm (R1) down, and consent was taken over the phone from the family member. The surveyor asked whether intentionally exposing oneself to another can be form of sexual abuse. V14 stated, Yes and it can also be a dignity and resident rights issue.</p> <p>R1's medical record showed that Risperdal 1mg, Buspar 5mg, and Vistaril 25mg was ordered for R1.</p> <p>On 6/18/24 at 12:47pm, V2, DON (Director of Nursing) stated, It could be deemed sexual abuse depending on the intent and nature of the resident psychologically. V2 acknowledge the incident between R1 and R2 is a form of sexual abuse.</p> <p>On 6/18/24 at 12:50pm, V1 stated, Exposing oneself to another, yes can be a form of abuse, depending on the intent and when it makes resident uncomfortable. The incident with (R1) and (R2) was a form of abuse, and that was why it was reported immediately.</p> <p>(continued on next page)</p>
