<p>F 0550</p> <p>Level of Harm - Minimal harm or potential for actual harm</p> <p>Residents Affected - Some</p>	<p>On 3/26/25 at 9:00am, a resident council meeting was held. During the meeting R206 stated it takes a long time for call lights to be answered, R206's roommate (R45) calls out, so R206 turns the call light on for R45. R206 stated R206 has had to go looking for staff because no one responds to the call light. R206 stated R206's/R45's room gets overlooked because it is at the end of the hallway. R17 stated R17 has waited for over an hour for R17's call light to be answered, especially during the afternoon and midnight shifts. R17 stated R17 waits a long time for the call light to be answered and often ends up getting out of bed by herself, but R17 is supposed to have assistance from staff. These residents stated that call light wait times have been an ongoing issue brought up in the resident council meetings that haven't been resolved.</p> <p>On 3/26/25 at 9:15am R17 stated that staff take a long time to answer call lights and R17 needs help to get to the toilet. R17 stated we have been bringing it up at the monthly resident council meeting and nothing seems to get done, it's not getting any better.</p> <p>Facility Census documents R17 was admitted to the facility on [DATE] and has the following medical diagnoses: Parkinson's Disease, Major Depressive Disorder, and Post-Traumatic Stress Disorder.</p> <p>R17's Minimum Data Set (MDS) dated [DATE] documents R17's Brief Interview for Mental Status (BIMS) score 15, cognitively intact and needs Partial/moderate assistance with showers/bathe.</p> <p>On 3/26/25 at 9:20am V5 Activity Director confirmed call lights have been an ongoing concern brought up in the resident council meetings. V5 stated that for the past two monthly Resident Council meetings residents have been complaining on waiting a long time for call lights to be answered.</p> <p>On 3/26/25 at 10:30 a.m., the V1 Administrator stated that V1 is aware of the delay in answering residents' call lights. V1 stated that the facility has been educating staff on answering call lights in a timely manner, but residents are still complaining that the staff is taking too long to answer them. V1 stated that some residents are taking themselves to the toilet due to staff not responding in a timely manner.</p> <p>The Resident Council Minutes dated 1/27/25 and 2/24/25 document concerns with call light response times taking too long.</p> <p>Facility Call Light Policy dated 2/2/18 documents Purpose: To respond to resident's requests and needs in a timely and courteous manner. Guidelines: Residents' call lights will be answered in a timely manner. 1. All residents who can use a call light shall have the nurse call light system available at all times and within easy accessibility to the resident at bedside or other reasonable accessible location. 2. All staff should assist in answering call lights. Nursing staff members shall go to a room to respond to call system and promptly cancel the call light when the room is entered. 5. Hand bells will be provided for alert dependent resident's when positioned out of reach of permanent call light when needed. 6. Call bell system defects will be reported promptly to Maintenance Department for servicing. Check room frequently until system is repaired.</p>
