| (X4) ID PREFIX TAG   | SUMMARY STATEMENT OF DEFICIENCIES<br>(Each deficiency must be preceded by full regulatory or LSC identifying information)  |
| <p>F 0600</p> <p>Level of Harm - Minimal harm or potential for actual harm</p> <p>Residents Affected - Few</p> | <p>Protect each resident from all types of abuse such as physical, mental, sexual abuse, physical punishment, and neglect by anybody.</p> <p>Based on observation, record review and interview, the facility failed to ensure 1 of 1 residents reviewed was free from abuse/exploitation related to a staff member's post of resident pictures/video on social media. (Resident B) The deficient practice was corrected on 6/11/2025, prior to the start of the survey and was therefore Past Noncompliance.</p> <p>Finding includes:</p> <p>A complaint, dated 6/11/2025, indicated a staff member had posted a video of an undressed resident in a shower room in the facility. The complaint included an attached social media video of a female resident (Resident B), shown from the shoulders up and a female staff member (CNA 3). In the video, CNA 3 was instructing Resident B to say 'Hi' multiple times. The only portion of Resident B's body that was visible were the upper portion of her shoulders, her neck and her face.</p> <p>During an interview, on 6/12/2025 at 10:48 A.M., QMA 2 indicated she had heard of an incident in the shower room, because the DON had questioned employees yesterday, 6/11/2025 about the incident. QMA 2 indicated the incident had involved Resident B and CNA 3.</p> <p>During an interview, on 6/12/2025 at 10:53 AM., the Director of Nursing (DON) indicated she had received a call yesterday (Wednesday 6/11/2025) at 5:50 A.M. from the night nurse, indicating she had been informed by the night aide that a former employee had reported to the night aide that a current employee had posted a video of her and a current resident on the Snapchat (Social media application). The DON indicated the night nurse informed her the aide in question was scheduled to work on Wednesday 6/11/2025 from 6:00 A.M. to 2:00 P.M. The DON indicated she had instructed the night nurse to tell CNA 3 to go back home when she arrived to work and to tell the employee she (the DON) would call her. The DON indicated CNA 3 had not shown up at 6:00 A.M., but had came in around 7:00 A.M. She indicated she was present in the building and had another facility nurse come into her office as a witness while she interviewed CNA 3. The DON indicated she had asked CNA 3 if she had posted a video of a resident on social media and the CNA had replied no. The DON stated she had shown CNA 3 the video that had been sent to her and informed CNA 3 that she had proof she had posted the video. The DON informed CNA 3 that she was terminated. The DON indicated that the aide had signed the facility policy regarding social media upon her hire. The DON indicated the Administrator had reported the allegation of abuse on 6/11/2025 to the Department of Health and she had started the investigation by interviewing alert residents regarding any staff member using their phones to take videos of them. The DON indicated the Inservice Director had completed education of all staff regarding the facility's abuse policy, including cell phone usage and HIPAA (Health Insurance Portability and Accountability Act) requirements.</p> <p>(continued on next page)</p> |

Any deficiency statement ending with an asterisk (\*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
