| (X4) ID PREFIX TAG   | SUMMARY STATEMENT OF DEFICIENCIES<br>(Each deficiency must be preceded by full regulatory or LSC identifying information)   |
| <p>F 0689</p> <p>Level of Harm - Minimal harm or potential for actual harm</p> <p>Residents Affected - Few</p> | <p>Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.</p> <p>44049</p> <p>Based on Interviews and Record Review the facility failed to provide care, based on the comprehensive assessment and the resident's comprehensive person-centered care plan as outlined in the facility policy Comprehensive Person-Centered Care Planning for resident (Resident #1) resulting in an avoidable accident (fall) as reported in the facility reported incident of 1/17/25.</p> <p>Finding:</p> <p>Review of the clinical record documents that on 1/17/25, during the night shift, Certified Nursing Assistant (CNA) #1 failed to follow the resident care plan for Resident #1 and attempted to toilet with a bed pan, alone when the care plan stated that the resident was a Max two assist. CNA#1 rolled the resident away from her and the resident fell past the bed rail and onto the floor. The bed was at waist level for care. Resident sustained visible injury to her left foot, right toes, and left big toe. Resident complained of pain to touch, and pain of neck and back, and she complained that she was dizzy, and had blurred vision and lethargy. Resident sent to hospital for evaluation.</p> <p>Additionally, the following documents were reviewed:</p> <p>Incident report form completed on 1/17/25 and documentation from the Nursing Supervisor states, Injury due to care plan not followed. Resident care planned for Max 2 assist.</p> <p>Statement from CNA#1 made on 1/17/25 that states, Having cared for the resident many times before independently, I also approached this task the same.</p> <p>On 1/30/25 the Administrator and the Director of Nursing (DON) stated and provided documentation of the correction actions that were taken as a result of the incident:</p> <ul style="list-style-type: none"> <li>-The resident was transported to the hospital for evaluation and treatment. Imaging done to all areas of concern and no injuries were found. Resident returned to the facility</li> <li>-CNA#1 was placed on paid administrative leave pending the outcome of the investigation.</li> <li>-Education provided to staff that day (1/17/25) by the DON</li> <li>-Education provided to staff on 1/22/25 by Nurse Educator</li> </ul> <p>(continued on next page)</p> |

Any deficiency statement ending with an asterisk (\*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
