For information on the nursing home's plan to correct this deficiency, please contact the nursing home or the state survey agency.

(X4) ID PREFIX TAG	SUMMARY STATEMENT OF DEFICIENCIES (Each deficiency must be preceded by full regulatory or LSC identifying information)
<p>F 0689</p> <p>Level of Harm - Immediate jeopardy to resident health or safety</p> <p>Residents Affected - Few</p>	<p>Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.</p> <p>42807</p> <p>Based on interviews, record review, facility policy review, and facility investigation review, the facility failed to provide adequate supervision to prevent Resident #1, who was a vulnerable resident, from exiting the facility unnoticed and unsupervised for one (1) of four (4) residents reviewed. Resident #1</p> <p>Resident #1 kicked open an entrance door and exited the facility. He was last observed by facility staff to be in his room in bed at 1:15 AM on 3/9/2024. The facility staff were unaware of Resident #1's absence until 3:15 AM when a staff member entered his room and noted he was not in bed. Resident #1 was located in a neighboring town by the police department at 9:09 AM, approximately 12 miles from the facility. Resident #1 had been off the facility grounds and unsupervised for approximately six (6) to eight (8) hours.</p> <p>The facility's failure to provide supervision and ensure the entrance door was secure, put Resident #1 and all other vulnerable residents at risk for the likelihood of serious injury, serious harm, serious impairment, or death.</p> <p>The situation was determined to be an Immediate Jeopardy (IJ) and Substandard Quality of Care (SQC), which began on 3/9/24. The State Agency (SA) notified the Administrator of the IJ on 3/15/24 at 12:40 PM and provided an IJ Template.</p> <p>Based on the facility's implementation of corrective actions on 3/9/24, the SA determined the IJ and SQC to be Past Non-Compliance (PNC) and the IJ was removed on 3/10/24, prior to the SA's entrance on 3/14/24.</p> <p>Findings include:</p> <p>Record review of the facility policy, Emergency Procedure - Missing Resident, undated, revealed, .Resident elopement resulting in a missing resident is considered a facility emergency .</p> <p>(continued on next page)</p>

Any deficiency statement ending with an asterisk (\*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.

(X4) ID PREFIX TAG	SUMMARY STATEMENT OF DEFICIENCIES (Each deficiency must be preceded by full regulatory or LSC identifying information)		
<p>F 0689</p> <p>Level of Harm - Immediate jeopardy to resident health or safety</p> <p>Residents Affected - Few</p>	<p>Record review of the facility investigation, dated 3/09/24, revealed Certified Nurse Aide (CNA) #1 identified Resident #1 was not in his room at approximately 3:15 AM on 3/09/24. CNA #1 reported to Licensed Practical Nurse (LPN) #1 and after searching the building and perimeter it was determined that the resident had left the facility without notifying staff. Missing resident procedures were initiated. Resident #1 was located at approximately 8:50 AM by Police Officer #2 from a neighboring town, which was 12 miles from the facility.</p> <p>On 3/14/24 at 1:55 PM, an interview with the Director of Nurses (DON) revealed she was notified by LPN #1 that Resident #1 was missing at 4:10 AM on 3/09/24. She reported the resident was located approximately 11 miles from the facility by Police Officer #2 at or around 8:50 AM and taken to the Police Department (PD) in a nearby town. She stated that she and other staff went to the PD at approximately 9:20 AM on 3/09/24, where she immediately assessed the resident, who had no obvious injury. She reported the resident was wearing a clean burgundy T-shirt, blue jeans and black tennis shoes when located and was carrying three plastic shopping bags which contained some clothing. She described the weather as cool, mild, and dry. The DON stated Resident #1 reported that he had left the facility by kicking open the side door and he was trying to get to a city which was approximately 90 miles from the facility to be with family.</p> <p>On 3/14/24 at 10:54 PM, in a telephone interview with CNA #1, she recalled she and CNA#2 observed Resident #1 in his room at approximately 1:15 AM on 3/09/24 and when she made rounds at approximately 3:15 AM on 3/09/24, she did not see him in the bed. She reported that after quickly checking the surrounding rooms and areas, she advised LPN #1 that she was unable to locate Resident #1.</p> <p>Record review of the Police Department's Offense/Incident Report, dated 3/9/24, revealed Resident #1 was located by Police Officer #2 at 8:55 PM eleven (11) miles from the facility sitting outside on the curb near Hwy (highway) and transported to the officer's police department. The report included a statement by Police Officer #2 that he observed the resident sitting on the curb with a sign in his hand. The statement revealed the officer ran a local check on the information provided by the resident and discovered that he was listed as a missing person from a neighboring city.</p> <p>Record review of the Quarterly Minimum Data Set (MDS) with an Assessment Reference Date (ARD) of 12/13/23 revealed Resident #1 had a Brief Interview for Mental Status (BIMS) score of 13, which indicated he was cognitively intact. Section E revealed he was not at risk for wandering or elopement.</p> <p>Record review of the .Quarterly Evaluation Bundle, dated 12/14/23, revealed Resident #1 was not a wanderer or elopement risk.</p> <p>Record review of the Weather Underground website (www.weatherunderground.com) temperatures between 3:15 AM and 8:55 AM on 3/09/24 were 59 to 60 degrees Fahrenheit with zero (0) precipitation and winds between 5 and 10 miles per hour.</p> <p>The facility submitted the following list of corrective measures:</p> <p>1. 3/9/2024 at 3:15 AM the Certified Nursing Assistant (CNA) observed the residents' room and noted he was not present. She immediately notified the Licensed Practical Nurse (LPN) on duty. All staff on the unit began a search for the resident throughout the north unit and then moved to the south unit; at this time, all staff were directed by the LPN to conduct a search of all areas of the building and the perimeter.</p> <p>(continued on next page)</p>

(X4) ID PREFIX TAG	SUMMARY STATEMENT OF DEFICIENCIES (Each deficiency must be preceded by full regulatory or LSC identifying information)		
<p>F 0689</p> <p>Level of Harm - Immediate jeopardy to resident health or safety</p> <p>Residents Affected - Few</p>	<p>2. 3/9/2024 at 4:14 AM, the LPN notified the Administrator in Training (AIT) that the staff searched the building and perimeter and could not locate the resident. The AIT notified the Administrator and Director of Nursing (DON) immediately after speaking with the nurse. The Administrator gave instructions to contact the Maintenance Supervisor and the Police Department. The LPN attempted to contact the resident's next of kin and the number was disconnected.</p> <p>3. 3/9/2024 at 4:35 AM the Maintenance Supervisor arrived at the facility. He checked all exit doors for proper functioning and noted all doors were secure. He began a search of the perimeter including outside buildings and checked all windows noting all windows were secure.</p> <p>4. 3/9/2024 at 5:00 AM a complete headcount was conducted by the nursing staff and all other residents were located.</p> <p>5. 3/9/2024 at 5:00 AM a search team was assembled by the DON-and Maintenance-Supervisor-to search surrounding buildings, including churches, convenience stores, local bus stations and all open businesses. The LPN began making calls to all surrounding police stations. The Administrator contacted all local hospitals.</p> <p>6. 3/9/2024 at 5:30 AM the Officer assigned to the case arrived at the facility and completed a missing person's report.</p> <p>7. 3/9/2024 at 8:00 AM the Administrator notified the resident's physician to update the missing resident's status.</p> <p>8. 3/9/2024 at 9:09 AM the Police Department confirmed with the Administrator that the resident was safe and secure at the Police Station.</p> <p>9. 3/9/2024 at 9:18 AM the Director of Nursing and Social Service Director went to the Police Station, assessed the resident, found no issues or psychosocial harm then transferred the resident to the emergency room because he refused transport by ambulance. The resident was calm and expressed confidence in his purpose for leaving the facility. He stated he kicked the door, left the facility, walked to the corner of the road, caught a ride with two white ladies that helped him make a sign so he could get to (name of city) to see his family.</p> <p>10. 3/9/2024 at 10:12 AM the DON arrived at the hospital, gave history of incident and medical information to the Physician along with current medications and morning medications that he had not received at this time. The DON remained with the resident while the nurse obtained vital signs including a blood glucose level and body audit. No issues were noted with skin assessments, all vital signs were within normal limits and the resident stated he felt fine, but his legs were sore. The Physician ordered labs and stated they would complete medical clearance for admittance.</p> <p>11. 3/9/2024 at 12 PM a Quality Assurance Performance Improvement (QAPI) committee meeting was held regarding the incident involving Resident # 1. In attendance were the Administrator, the DON, the AIT, the Care Plan Nurse, the Assistant Director of Nursing (ADON)/Infection Preventionist (IP), the Business Office Manager, the Maintenance Supervisor, the Wound Care Nurse, Medical-Director, the Regional Nurse Consultant, the Regional Director of Operations, and the Social Services Director (SSD).</p> <p>-QAPI minutes included:</p> <p>(continued on next page)</p>
