<p>F 0583</p> <p>Level of Harm - Minimal harm or potential for actual harm</p> <p>Residents Affected - Few</p>	<p>Keep residents' personal and medical records private and confidential.</p> <p>41306</p> <p>Based on observation, interviews, record review, and facility policy review, the facility failed to ensure a resident's right to privacy as evidenced by a resident who was visible on a video that was posted to a staff member's personal social media account without her consent for one (1) of four (4) sampled residents. Resident #1.</p> <p>Findings include:</p> <p>Review of the facility's policy, Resident Photographs/Videos, revised 2/14/23, revealed, Policy: Taking photographs and/or videos of residents or their personal belongings is a violation of residents' rights to privacy and confidentiality. Policy Explanation and Compliance Guidelines: 1. All photographs or videos of residents will only be taken by an employee having written authorization from the Administrator as indicated below .3. No employees will post pictures, videos, comments, etc., on social media that pertains to anyone within this facility .</p> <p>A record review of the Activity Photograph/Outing Release, dated 5/3/22, revealed Resident #1 signed an Activity Photograph Release which indicated, .For the use of photos, names and/or social information for TV, radio, newspaper articles, facility newsletter, etc . each Resident or Responsible Party will be required to sign a consent form or give verbal consent per phone for each occasion .</p> <p>On 7/1/24 at 11:12 AM, during an interview with Resident #1, she was able to communicate using a note pad. She wrote that to her knowledge the facility had not posted any photos or videos of herself on social media. She indicated she had not signed any recent consents allowing pictures or videos other than the one she signed when she was admitted to the facility in 2022. Resident #1 also indicated that she would not like it much if the facility staff posted a video on their personal social media in which she was in the background.</p> <p>On 7/1/24 at 1:00 PM, during an interview with the Business Office Manager (BOM), she confirmed on 5/15/24, a video was taken of two staff members dancing during nursing home week. Resident #1 was visible in the background because when she posted the video, she was more concerned about the staff members being so cute in the video dancing. The BOM stated that she knew posting residents on social media was against facility policy because of resident rights and confidentiality.</p> <p>(continued on next page)</p>

F 0583 Level of Harm - Minimal harm or potential for actual harm Residents Affected - Few	<p>On 7/1/24 at 1:15 PM, during an observation of the video posted to the BOMs social media, there were two (2) facility staff members dancing and Resident #1 was visible in the background. The video was approximately 5 seconds long.</p> <p>On 7/2/24 at 10:33 AM, during an interview with the Administrator, he confirmed there was a video on the BOM's social media in which Resident #1 was visible in the background. He said it occurred during nursing home week and it was an accident because the staff should have been the only ones to be recorded, but the resident rolled by in her wheelchair into the view of the camera. The Administrator revealed that it was not the facility's policy to have residents on facility staff members personal social media pages and that all residents have the right to privacy and confidentiality.</p> <p>A record review of the Admission Record revealed the facility admitted Resident #1 on 05/03/2022 and she had current diagnoses including Deaf Nonspeaking.</p> <p>A record review of the Annual Minimum Data Set (MDS) with an Assessment Reference Date (ARD) of 4/25/24, revealed Resident #1 had a Brief Interview for Mental Status (BIMS) score of 15, which indicated she was cognitively intact.</p>
