(X4) ID PREFIX TAG	SUMMARY STATEMENT OF DEFICIENCIES (Each deficiency must be preceded by full regulatory or LSC identifying information)
<p>F 0561</p> <p>Level of Harm - Minimal harm or potential for actual harm</p> <p>Residents Affected - Few</p>	<p>Honor the resident's right to and the facility must promote and facilitate resident self-determination through support of resident choice.</p> <p>45598</p> <p>Based on resident and staff interviews, record review and facility policy review, the facility failed to honor a resident bedtime choice for one (1) of 31 sampled residents. Resident #24.</p> <p>Findings Include:</p> <p>Record review of the facility policy Resident Rights revealed 3. Our facility will make every effort to assist each resident in exercising his/her rights to ensure that the resident is always treated with respect, kindness, and dignity</p> <p>An interview on 3/31/25 at 1:00PM with the Administrator (ADM) revealed that on 03/16/25, Registered Nurse (RN) #1 called her and reported that Certified Nursing Assistant (CNA) #1 made Resident #24 go to bed when she didn't want to. The ADM stated that RN #1 reported to her that CNA #1 took Resident #24 to her room from the dining room after the supper meal around 6:00 PM, put Resident #24's gown on and made her go to bed. She also revealed that Resident #24 kept telling her (CNA #1) that she didn't want to go to bed. The ADM reported that Resident #24's roommate, Resident #22 witnessed it, walked up to the nursing desk and reported to RN #1 that CNA #1 told Resident #24 that she was going to bed because she (CNA #1) had things to do. The ADM admitted that it was the residents' right to choose to get up and to go to bed when they wanted to, and Resident #24's choice to stay up longer should have been honored that evening.</p> <p>An interview with Resident #22 on 03/31/25 at 1:40 PM confirmed that she was Resident#24's roommate and a couple of weeks ago, she saw a CNA make Resident #24 go to bed one night after supper. She revealed that she didn't know who the CNA was, but she hadn't been back since that night, and she was glad. Resident #22 revealed that she was in her bed watching television with her privacy curtain pulled about halfway to where she could see what was going on. She confirmed that she heard the CNA say to Resident #24, You're going to bed because I have work to do. She revealed that she heard Resident #24 tell the CNA several times that she was not ready to go to bed. Resident #22 revealed that she got up from her bed and went to the nursing desk and reported to a nurse what happened.</p> <p>(continued on next page)</p>

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.

(X4) ID PREFIX TAG	SUMMARY STATEMENT OF DEFICIENCIES (Each deficiency must be preceded by full regulatory or LSC identifying information)		
<p>F 0561</p> <p>Level of Harm - Minimal harm or potential for actual harm</p> <p>Residents Affected - Few</p>	<p>An interview on 03/31/25 at 2:35 PM with RN #1 confirmed that around 5:45 PM on 3/16/25 Resident #22 came to the nurse's desk and reported that CNA #1 was mistreating Resident #24 by making her go to bed when she didn't want to. RN #1 revealed that Resident #22 told her that Resident #24 told CNA #1 that she was not ready to go to bed and the CNA told her she was going to bed anyway because she had too much to do. RN #1 revealed that she went to Resident #24's room to check on her and found her sitting on the side of the bed with her gown on. RN #1 revealed that Resident #24 told her that she wanted to stay up longer and visit with friends in the dining room and wasn't ready to go to bed but that CNA #1 made her go to bed. RN #1 revealed that she made sure Resident #24 was safe, offered to put her clothes back on and help her get back up but at that time, she refused. RN #1 revealed that Resident #24 told her that she was sitting in the dining room at a table with other residents and CNA #1 came and pushed her in her wheelchair back to her room and put her to bed, even though she told her she was not ready. RN #1 confirmed that Resident #24's choice to go to bed later that evening should have been honored and this was not okay.</p> <p>An interview on 04/01/25 at 10:20 AM with Resident #24 confirmed that a couple weeks ago, there was an aid who made her go to bed early against her wishes. She revealed that she thought it was around 6:00 PM and she was sitting in her wheelchair at a table in the dining room visiting with friends when the aid came and pushed her back to her room. Resident #24 revealed that she told the aid that she was not ready to go to bed, but the aide told her she was going anyway because she had a lot of work to do. Resident #24 revealed that this was her home, and she wanted to be good to the staff here and she wanted them to be good to her. Resident #24 revealed that it was important to her to make her own decisions about when to go to bed and she wanted to be respected. Resident #24 revealed that the aide did not hurt her, just made her go to bed. She revealed that sometimes she wanted to go to bed early but that was her choice. She revealed that if the aide wasn't going to do right, she didn't need to work there. Resident #24 revealed that she did not know who the aide was and that she hadn't been back to work since that happened.</p> <p>Record review of Resident #24's Admission Record revealed the facility admitted the resident on 09/02/22 with medical diagnoses that included Parkinson's Disease and Depression .</p> <p>Record review of Resident #24's Minimum Data Set (MDS) with an (Assessment Reference Date) (ARD) of 01/13/25 under Section C revealed a Brief Interview for Mental Status (BIMS) Score of 8 which indicated that she had moderate cognitive deficits. The review of Section F-Preferences revealed that it was very important to her to choose her own bedtime.</p>
