<p>F 0812</p> <p>Level of Harm - Minimal harm or potential for actual harm</p> <p>Residents Affected - Many</p>	<p>Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.</p> <p>50253</p> <p>Licensure Reference Number 175 NAC 12-006.11(E)</p> <p>Based on observations, interviews, and record reviews, the facility failed to ensure foods were not stored on the floor and meats were not thawed above fresh vegetables. This had the potential to affect all residents. The facility census was 36.</p> <p>Findings are:</p> <p>Record review of the policy and procedure Food Receiving and Storage with a revised date of 10/1/2024 revealed the policy is so food shall be received and stored in a manner that complies with safe food handling practices. The purpose is to ensure the quality of food and ensure it is stored and handled properly. Refrigerated foods will be stored in such a way that promotes adequate air circulation around food storage containers. The freezer must keep foods frozen solid. Uncooked and raw animal products and fish will be stored separately in drip proof containers and below fruits, vegetables, and other ready to eat foods.</p> <p>An observation on 2/4/2025 at 10:45 AM revealed in the walk-in refrigerator two boxes of lettuce stored on the floor, one non-drip container of chicken thawing on a shelf above another box with ready to consume lettuce, and a bowl of ground meat stored in a bowl above a bowl of potato salad. The walk-in freezer door was open into the refrigeration area. In the walk-in freezer several boxes of food were stored on the floor. These boxes were label desserts, ice cream, fine ground beef, potato triangles, dinner roll dough, among other items where label couldn't be read. A plastic bag of sliced apples was laying on the floor, and a 2-3 gallon container of ice cream was on the floor. There were also two non-drip containers of frozen produce on the floor both holding numerous plastic bags filled with sliced apples. The black plastic floor mats in the freezer area had small bits of yellow and brown debris.</p> <p>Interview on 2/4/2025 at 11:10 AM with Dietary Aide (DA-B) who stated that the delivery truck had come and all of the food in the freezer would be put away before the end of the shift but at the time because of cooking meals, there was no time to do it.</p> <p>(continued on next page)</p>
