<p>F 0645</p> <p>Level of Harm - Minimal harm or potential for actual harm</p> <p>Residents Affected - Few</p>	<p>An interview with the Administrator was conducted on 04/03/2025 at 1:22 PM. The Administrator stated the Social Worker (SW) was responsible for completing the PASRR screenings. The SW left her position in February of 2025, and they were interviewing potential SWs currently. On 02/28/2024, a PASRR level I was started but additional information was requested for submission to get a determination for placement of Resident #46. The SW did not submit the information requested for the completion of the screening. The Administrator also stated the additional information should have been submitted and he did not know why it was not completed. The Administrator further stated he was receiving assistance with PASRRs from their sister facility until a SW position was filled.</p>
