<p>F 0609</p> <p>Level of Harm - Minimal harm or potential for actual harm</p> <p>Residents Affected - Few</p>	<p>During an interview on 05/30/24 at 11:40 AM, Registered Nurse (RN)1 revealed that when the door was open, she found both residents disrobed from the waist down. R2 was asked to leave the room and he became very upset and said he was not going anywhere, because R1 asked him to come into her room. RN1 states that she spoke to R1 after R2 left the room and R1 stated that R2 did not do anything wrong, and R1 asked him to come into the room. RN1 further stated that R1 was upset because she was embarrassed about the incident. RN1 states R2 was sent out to the ER because he became upset and non-compliant after being told he could not go back into the room. RN1 states that R2 did not have a history of inappropriateness towards any other resident.</p> <p>During an interview on 05/30/24 at 3:50 PM, the Nurse Practitioner (NP) revealed that he spoke with R1 the day after the incident. The NP states at first, R1 denied the allegation, but eventually stated, she initiated it, and she did not want that man to get into trouble because he did not do anything wrong. The NP stated that R1 asked R2 into her room because she wanted to be with someone and R2 was the only man that was ambulatory on the unit, so that's why she chose to invite him into her room.</p> <p>During an interview on 05/30/24 at 3:55 PM, the Assistant Director of Nursing (ADON) revealed R2 was more abrasive when trying to talk to about the allegation. R2 kept saying she invited me in. the ADON states the police were called to make a report, but did not file a report because R1 expressed it was consensual.</p> <p>During an interview on 05/30/24 at 4:50 PM, the Director of Nursing (DON) revealed that she did not report the incident to the state agency because the incident was consensual.</p>
