(X4) ID PREFIX TAG	SUMMARY STATEMENT OF DEFICIENCIES (Each deficiency must be preceded by full regulatory or LSC identifying information)
<p>F 0812</p> <p>Level of Harm - Minimal harm or potential for actual harm</p> <p>Residents Affected - Few</p>	<p>Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.</p> <p>41941</p> <p>Based on observation, interview, and facility P&P review, the facility failed to ensure the sanitary requirements were met in the kitchen as evidenced by:</p> <p>* The facility failed to ensure the use of hair and beard restraints was implemented by the dietary staff member working in the kitchen. This failure posed the risk to cause foodborne illnesses in a medically vulnerable resident population who consumed food prepared from the kitchen.</p> <p>Findings:</p> <p>According to the USDA Food Code 2022, Section 2-402 Hair Restraints, food employees shall wear hair restraints such as hats, hair coverings or nets, beard restraints, and clothing that covers body hair, that are designed and worn to effectively keep their hair from contacting exposed food; clean equipment, utensils, and linens; and unwrapped single service and single use articles.</p> <p>Review of the facility's P&P titled Dress Code for Women and Men dated 2018 showed the kitchen staff must wear a hair covering in the kitchen. The P&P also showed the kitchen staff member with beards and mustaches (any facial hair) must wear beard restraint.</p> <p>On 1/23/25 at 1207 hours, an observation and concurrent interview was conducted with the Dietary Services Director. The Dietary Services Director was observed without a hair covering and [NAME] 1 was observed without a beard covering inside the kitchen. The Dietary Services Director verified the findings and stated the kitchen staff member should always wear a hairnet while working in the kitchen. However, the Dietary Services Director stated he did not know if the kitchen staff member had to wear a beard covering. The Dietary Services Director stated he would have [NAME] 1 wear a mask.</p> <p>On 1/23/25 at 1327 hours, an interview was conducted with the Administrator and DON. The Administrator and DON was informed of the above findings. The Administrator stated the kitchen staff member should be wearing the hair and beard coverings according to the facility's policy.</p>

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
