(X4) ID PREFIX TAG	SUMMARY STATEMENT OF DEFICIENCIES (Each deficiency must be preceded by full regulatory or LSC identifying information)		
<p>F 0550</p> <p>Level of Harm - Minimal harm or potential for actual harm</p> <p>Residents Affected - Few</p>	<p>During an interview and record review on May 1, 2024, at 1:15 p.m., with the Medical Records Director (MRD), the MRD stated, Resident A's personal belongings were not listed when they were handed to the resident representative. The MRD stated, there was no documentation of the list of personal belongings returned by the facility.</p> <p>During an interview on May 1, 2024, at 4:10 p.m., with Licensed Vocational Nurse (LVN) 1, she stated the facility's practice for managing personal belongings was upon admission the Certified Nurse Assistant (CNA), checked the resident's personal belongings, and each item was entered into a list, which was signed by both the resident and the staff performing the inventory. LVN 1 stated, upon discharge, staff would go through the list of personal belongings and return the listed items to the resident.</p> <p>During a concurrent interview and record review on May 1, 2024, at 4:16 p.m., with the Registered Nurse (RN), he stated the bags of personal belongings were returned to the resident's mother, without a list of the items returned, obtaining the signature of the resident's representative. The RN stated there were no documentation of a list of returned items being provided to the resident.</p> <p>During a concurrent interview and review of Resident A's document titled Inventory Of Personal Effects, on May 1, 2024, at 4:55 p.m., with the Social Service Director (SSD), the SSD stated, the facility policy was to declare all items in the Inventory of Personal Effects form. The SSD stated, the admitting nurse assigned a CNA to take care of the resident's belongings. The SSD stated upon discharge, if the resident's belongings were packed in a bag, the staff should open, checked, and listed the personal belongings before handing it to the resident representative. The SSD stated, Resident A's Inventory of Personal Effects form on admission did not include the date, the name of the resident, and the signature of the staff conducting the inventory. The SSD further stated upon discharge the form had no signature of the staff and the belongings were not listed. The SSD stated, the signature of the staff acknowledged the items that were returned to the resident representative.</p> <p>During an interview with LVN 2 on May 2, 2024, at 12:05 p.m., LVN 2 stated, she was assigned to hand in Resident A's personal belongings to the resident representative. LVN 2 stated she did not check and recorded the items of the resident's belongings. LVN 2 stated she should have double checked, sorted out the items being returned to the resident. LVN 2 stated she should have documented the items returned to the resident representative. LVN 2 stated signing the facility form was a confirmation of what was returned to the facility.</p> <p>During a review of the facility policy and procedure titled, Investigating Incidents of Theft and/or Misappropriation of Residents Property, dated March 2024, indicated, .Our facility will exercise reasonable care to protect the resident from property loss or theft including .Inventorying resident belongings upon admission .</p> <p>During a review of the facility policy and procedure titled, Personal Property, dated April 2013, indicated, . The resident's personal belongings and clothing shall be inventoried and documented upon admission and as such items are replenished .</p>
