NAME OF PROVIDER OR SUPPLIER Park Place Care Center		STREET ADDRESS, CITY, STATE, ZIP CODE 121 Fm 971 Georgetown, TX 78626	

For information on the nursing home's plan to correct this deficiency, please contact the nursing home or the state survey agency.

(X4) ID PREFIX TAG	SUMMARY STATEMENT OF DEFICIENCIES (Each deficiency must be preceded by full regulatory or LSC identifying information)
<p>F 0584</p> <p>Level of Harm - Minimal harm or potential for actual harm</p> <p>Residents Affected - Some</p>	<p>Honor the resident's right to a safe, clean, comfortable and homelike environment, including but not limited to receiving treatment and supports for daily living safely.</p> <p>**NOTE- TERMS IN BRACKETS HAVE BEEN EDITED TO PROTECT CONFIDENTIALITY** 44317</p> <p>Based on observations, interviews, and record review, the facility failed to provide a safe, clean, comfortable, and homelike environment for 1 of 1 facility reviewed for safe, clean, and comfortable environment.</p> <p>The facility failed to replace the countertop over a set of cabinets, for about a year, when remodeling in the dining room.</p> <p>This failure could place residents at risk for uncomfortable, unhomelike environment, and a diminished quality of life.</p> <p>Findings included:</p> <p>Record review of an annual MDS assessment dated [DATE], Section A (Identification Information) reflected Resident #1 was a [AGE] year-old female admitted to the facility on [DATE]. Section I (Active Diagnoses) reflected diagnoses including cerebrovascular accident (stroke), non-Alzheimer's dementia, anxiety (intense and excessive worry and fear), and depression (a mood disorder with persistent feeling of sadness and loss of interest). Section C (Cognitive Patterns) reflected a BIMS score of 7 indicating severe cognitive impairment.</p> <p>An observation in the dining room on 10/31/24 at 10:30 AM revealed a set of cabinets along the wall near the kitchen. The cabinets did not have a countertop. The top was partially covered with plywood. The plywood was covered with stained green tablecloths and a bath towel. The area not covered by plywood revealed two drawers and cabinet hardware. The drawers contained a napkin holder, two condiment holders, a tin of dominoes, and various pieces of paper and debris.</p> <p>During an interview on 10/31/24 at 12:40 PM, the Maintenance Director stated he did not know exactly when the countertop was removed. He stated he had worked at the facility for a couple of months and the countertop had been gone the whole time. He stated a replacement had been ordered but he did not know when it was expected. He texted the ADM who then joined the interview. The ADM stated the countertop had been removed a year ago when a previous company started a renovation. She stated a replacement had been approved by the corporate office, and they were waiting for [company name] to build and install the countertop.</p> <p>(continued on next page)</p>

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.

<p>F 0584</p> <p>Level of Harm - Minimal harm or potential for actual harm</p> <p>Residents Affected - Some</p>	<p>During an interview on 10/31/24 at 12:58 PM, DS A stated she had worked at the facility for about seven years. She stated the countertop in the dining room had been missing for about two years. She stated there used to be a sink but that was removed when they started the remodel.</p> <p>During an interview on 10/31/24 at 2:33 PM, MA B stated in August 2023, there was a sink in the dining room then in September 2023 they removed the sink and the countertop. She stated it did not look very homelike without a countertop. She stated it had looked bad for a long time and residents had complained about it in the past.</p> <p>During an interview on 10/31/24 at 2:36 PM, Resident #1 stated she could not remember how long the countertop had been missing. She stated it looked bad, junky. She wondered if it would ever be fixed.</p> <p>During an interview on 10/31/24 at 2:40 PM, the ADM stated the facility had gone through several changes in owners. A renovation had been started then it got delayed because of a change. She stated they were in the process of getting the countertop replaced. She stated the current fix of covered plywood was doable for now, but it was a sore sight. She stated she had talked with the Ombudsman about it and has one resident that complained about the lack of a countertop. She stated it was not homelike. She stated she had not seen any adverse effects to the residents other than the one resident complaining.</p> <p>A review of the undated Residents Rights policy reflected in part, A facility must treat each resident with respect and dignity and care for each resident in a manner and in an environment that promotes maintenance or enhancement of his or her quality of life, recognizing each resident's individuality. The facility must protect and promote the rights of the resident . Safe environment - The resident has a right to a safe, clean, comfortable, and homelike environment, including but not limited to receiving treatment and supports for daily living safely. The facility must provide-1. A safe, clean, comfortable, and homelike environment, allowing the resident to use his or her personal belongings to the extent possible. a. This includes ensuring that the resident can receive care and services safely and that the physical layout of the facility maximizes resident independence and does not pose a safety risk. b. The facility shall exercise reasonable care for the protection of the resident's property from loss or theft. 2. Housekeeping and maintenance services necessary to maintain a sanitary, orderly, and comfortable interior .</p>
